This application form has been drawn up in accordance with the instructions of the General Management Committee. When completing your application please ensure that you do not use the most right-hand column as this is reserved for the Club's use in order to speed up the process of repayment to those who are not allocated their full application. Ticket prices for all matches will be set by the General Management Committee in order to recoup the postage and the I.R.F.U./ Ulster Branch administration costs of processing your application. Also, due to the uncertainty surrounding the Euro prices will not be confirmed until the invoice is received from the Branch

Please note that this year we are not asking for the ticket money for the away matches up front as it has become very difficult to predict prices and we are rarely given the categories we apply for. Away tickets are allocated to clubs on a first come first served basis by the Ulster Branch therefore the closing date is early - please get your applications in as soon as possible. Once we have the prices for both the home and away matches we will require payment in Sterling and will notify you all individually.

Please note - applications will only be accepted from paid up members of the Club, so, if you have not done so, please pay your subscription now. **All tickets are traceable by the IRFU therefore you are responsible for ensuring that your tickets do not end up with touts or at inflated prices on e bay. This can have a detrimental effect on our future ticket allocation by the IRFU.**
